

Dear Ms. Adams,

10-13-21

I'm currently incarcerated at SCI-Dallas in Dallas, PA. my institutional # is QA 2794. I'm currently representing myself in an ongoing civil matter involving employees from the Wyoming County Jail. The reason why I'm writing is because I was advised to contact the Clerk of Courts about subpoenaing my witnesses and information pertinent to my case. That you would have the proper paperwork in order for me to properly file the subpoenas. I'm going to have Ten witnesses and some information to subpoena. I have to file my discovery by November 8, 2021 with the U.S. District Court for the Middle District of Pennsylvania. Thank you for your time and cooperation.

Case No. 4:21-CV-00122

Sincerely,  
  
Robert J. Murray

Mr. Henry

I realize that this is not covered by the right to know law, but I figured I would ask for it in good faith anyway. Although I'm prepared to subpoena this information if necessary. I need the information telling when I myself, Robert J. Murray, ~~was~~ was in solitary confinement better known as the hole for six consecutive days. I was placed in the hole the very same day I got back from Giesinger. I was at Giesinger from very early Saturday morning ~~for~~ the 26<sup>th</sup> of January to the following Monday afternoon on the 30<sup>th</sup> of January 2019. Their diagnosis was that I ~~suffer~~ suffered multiple strokes. That's the same records the jail has and that I to have requested and haven't received yet. We got back to the jail at about 3:30 and Sargent Mirach put me in the hole immediately. I stayed in the hole until February 4<sup>th</sup> or 5<sup>th</sup>. That still puzzles me to this day. The only thing I could figure was, it was intimidation to keep me quiet and to punish me for costing the county a bunch of money or maybe both. I'm curious to see if my records the jail has match up to records that I received from Geisinger. Thank you for your time and consideration.

Robert J. Murray

Sincerely,  
Robert J. Murray

Dear Mr. Wilbur or Mr. King, 10-13-21

My name is Robert Murray, I'm currently incarcerated at SCI-Dallas. My institutional number is QA2794. I need and am entitled to, in accordance to the Right To Know Law, a copy of the Inmate Health Care Plan for 2019. For the Wyoming County Correctional Facility in Tunkhannock, PA located on 10 Stark St. I also need copies of your corrections department policy on Staff Development and Training in the following areas: ① response to health-related situations, within four minutes upon notification/realization of the emergency; ② recognition of the signs and symptoms, and knowledge of action required in potential emergency situations; ③ administration of first aid; ④ methods of obtaining assistance (summoning help); these are just to name a few. Also where, when, and from whom the training was provided, in reference to the 2019 calendar year. In particular the development and training of certain corrections officers including Warden, Mr. Repsher, Corporal Clark, Corporal Rosenbaum, Corporal Wildenstien, Sargent Mirach, and Officer Pollyck. I've also been informed that in accordance to the Right to know Law I can also request the salaries of said officers for the above mentioned calendar year of 2019. I would like to also know when they started working at the

correctional facility and for how long.

In the previously mentioned year who was the medical director from January to May at the jail? How long was this person director and what was their salary? This question will be easier, it's much more specific. Who was the nurse that worked first shift on Friday, January 25, 2019? How long had she worked there as the nurse and what was her salary?

I am representing myself in an on going matter and this information is pertinent to its success going forward. I <sup>was</sup> advised to try to obtain this information informally and that I would more than likely be denied. I am more than willing to subpoena this information if needed, and more. I have lots of time on my hands. Thank you for your time and consideration. I am looking forward to hearing from you.
